

WINSTON-SALEM MEDICAL GROUP MANAGERS

A chapter of the North Carolina Medical Group Managers (NCMGM)

Winston Salem Medical Group Managers Association

The Winston-Salem Area Medical Group Managers Association (WSMGMA) exists as a local chapter of the North Carolina Medical Group Managers (NCMGM) organization. The local chapter exists for the general purpose of continuing education in the field of healthcare administration. The group provides forums to address issues on a local and national level. Monthly meetings are offered to give members the opportunity to learn from sponsors and program speakers and to network and exchange ideas that help with issues they face on a day-to-day basis. We typically have around 35 members in attendance. The majority of our members are privately owned medical practice administrators representing multiple specialties and primary care.

Meetings are currently held on the **third** Wednesday of each month at the **Allegacy Federal Credit Union**, Westgate Drive Location, 1691 Westbrook Dr., Winston-Salem, NC 27103. This building is behind Taco Bell (Stratford Rd). When entering the building, please enter from the far left hand side. We meet in the main conference room on the first floor.

Members begin arriving at 11:30 a.m.

At each meeting we have a vendor **sponsor** who speaks at the beginning of the meeting for about 10 minutes starting around 11:50 a.m. telling about his/her product or service. Please feel free to bring business cards, handouts, etc.; the sponsor fee is \$500.00 payable to WSMGMA. Our Federal Tax ID # is 94-3448019. Please bring your check to the meeting and give to our Treasurer or one of the officers. You are encouraged to bring some sort of door prize. After speaking please feel free to remain for the presentation.

Next we have an educational **speaker** who is not selling a product or service, but gives information on areas such as coding/billing compliance, HIPAA, risk management, performance management, problem solving, customer service, etc. The presenter typically has around 45 minutes beginning around 12:00 and ending around 12:45 p.m. for their presentation. Speakers are encouraged to provide electronic or paper copies of handouts used during the presentation. If you use a PowerPoint presentation and need a projector or other equipment, please let us know in advance.
